

The Nurse Practice Act 2021

The *newest* (pale Green Cover) edition of the Nurse Practice Act February 2021 is now available!

It contains the *most current* sections of the Annotated Code of Maryland, as well as the *most current* COMAR regulations effective through February 2021.

The handy 6"x9" bound Nurse Practice Act book is easy to carry along to appointments and meetings. Though compact, this 476-page book contains the complete set of Annotated Code of Maryland Articles and COMAR regulations that make up the Nurse Practice Act.

The comprehensive 8.5"x11" loose-leaf 338 page book has the *added advantage* of being "Updateable"! As the Annotated Code of Maryland Articles and the COMAR regulations are amended throughout the year, we will make available (usually once a year, or so) Supplements that may be purchased for much less than a new book. These Supplements may be a few dozen pages or well over 100+ pages and will be priced accordingly, making it easy to remove and replace.
